Now that you know about *The Value of Learning: The Tale of Marie Curie* —

What do *you* think?

-  What was your favorite part of the story?
 -  When she was in her little room at the university, what did Marie Curie forget to learn?
 -  What do you think would have happened if Marie Curie did not learn?
 -  How do *you* feel when *you* learn something new?
 -  How could you use *The Value of Learning*, in your own life?
